School Motto

志於道，游於藝

《論語》 述而篇：子曰：「志於道、據於德、依於仁、游於藝。」

註釋：

志：立志，立定志向。

道：儒家思想的價值觀及道統。如：仁、義、禮、智、信。

格物、致知、誠意、正心、修身、齊家、治國、平天下等。

(由個人、家庭、伸延至社會的人文主義思想。)

游：游刃有餘，愉快學習，悠然自得。

藝：古代書院所傳授的科目。六藝：禮、樂、射、御、書、數。

相對於現代教育理念的「德、智、體、群、美。」

「志於道 游於藝」的意思是希望我們立定志向，學習立身處世的道理。盡其本份，推己及人。在學習過程中體會學習的樂趣，主動積極，並在浩瀚的知識領域裏悠然自得。

回首這幾年的校園時光，有笑有淚，有成長，有迷茫，有收獲，我們很快就要畢業了，我感謝所有教過我的老師，其中我想感謝的就是我們的班主任李老師。

我在二〇二四年九月份，入讀這所學校，李老師就開始教我說粵語，讓我適應香港的生活，感謝她這兩年的悉心教導和包容，她不僅教會我知識，還會教我怎樣說粵語。離別之際，感恩您的教導。

王鈺雯(13)

我來香港讀書三年了，老師的教誨和同學間的情誼陪伴著我成長，更讓我收獲滿滿。

記得初來香港讀書，我完全不適應粵語課堂，也不會寫繁體字，而周老師如春夜細雨，細細溫柔地一點點教導我，她像園丁不計辛勞耕種，用她的智慧澆灌我成長，又像黑夜裏的路燈，在我迷茫時給我光亮引路，步步前行。時光似箭，曾經連粵語都聽不懂的我，如今已經可以用粵語流利地和同學談笑。

天下無不散之筵席。我會永遠記得在這裏學到的知識，在這裡得到的溫暖，帶著勇氣奔赴新的旅程。

羅俊超(7)

時光飛逝，在六年的小學生活中，是各位老師陪伴我成長和學習。此刻，我想感謝各位老師的教導。

鄒老師，感謝您像朋友般教導我們，因為您，我們上課不再煩悶，上課也更有學習動力。

鍾主任，感激您，您給予我們每一個人獨一無二的關照，總會耐心為我們講解題目。

李老師，感謝您每時每刻都提醒我們要好好學習，時常關心我們升中的前路。

在此，我也想感謝所有曾教導我的老師，祝你們天天開心。

梁子淇(5)

我記得剛上一年級時，根本沒想過什麼畢業和升中學，每天只會想著什麼時候放學。但現在，居然只剩下兩個月，我就要和我的小學生活說再見了。

真的覺得時間過得太快了，所有回憶歷歷在目，好像昨天我還在一甲班的教室裡聽老師講課。我要衷心感謝校長、老師和每一位同學，因為有你們，我六年的小學生活才過得這麼快樂。

房昕彤(2)

時間飛逝，我的小學生活就要結束了，但一想到要和老師同學分開，心裏很不是滋味。其中，我最想念的是林主任。在我轉校到佐敦道官立小學的第一年，她糾正我每一個寫錯的簡體字，教我粵語，耐心地陪伴我度過那一年的適應期。親愛的老師和同學，感謝你們的支持和包容，讓我覺得佐敦道官立小學就像一個大家庭。祝願大家都能在新的學習生活中展翅高飛，前途無量。

The Best Chapter Yet

Looking back at my primary school journey, it feels like just yesterday we were walking into the classroom with heavy backpacks. Now, we are ready for secondary school.

This journey would not have been possible without my teachers. To my wonderful teachers: thank you for your endless patience, guidance, and for teaching us how to believe in ourselves. To my parents: thank you for your unconditional love and for always supporting me through everything when I needed it most.

Finally, to my amazing 6B friends: thank you for every laugh we shared, every recess chat, and all our classroom memories. We formed bonds that won't be forgotten. Thank you for making my childhood so fun. I am so grateful for our 6B family and wish everyone the best in secondary school!

The Power of Friendship

Six years ago, we were all nervous, thinking that we wouldn't make any friends or get used to the change at all. Fast forward to today, and everything has changed.

We survived the challenging times, stress, and anxiety. But the ones who made it all disappear were our friends and family. Laughing in the hallways and helping each other reach the finish line were some of my favorite moments.

The most important thing about school isn't the exams or tests—it's about the happiness and the time you spend with each other. We aren't just walking away with a piece of paper. We are walking away with friendship and proof that we can survive tough times. The future is yet unknown, and we might fall behind. But because we have each other, we will leave no one behind.

Six Long Years

After six long years, I am finally graduating! I thank all my parents and teachers for guiding me through this journey.

To my parents, thank you so much for allowing me to go on all those school trips, helping me study, and supporting me. Every time I felt stressed about homework and exams, you always helped me feel calm.

To my teachers, thank you for everything you taught me. I learned how to read, speak, and write because of you. You taught me how to study for my exams, helped me with difficult assignments, and looked after me during school outings.

Thank you all for making me what I am today. I can't wait to graduate and pursue my dream of being a pilot!

♦ Thank You ♦

A Thanks for the Memories

Graduation feels like a big step, and looking back, I realize how much help I had to get here.

To my parents, thank you for the hard work and the everyday things you do. Thank you for making sure I was fed, helping me handle stress before big exams, and letting me figure things out when I was struggling. Knowing you always have my back gave me the confidence to keep trying.

To my teachers, thank you for treating us with respect. I really appreciated that you didn't just give us answers, but actually took the time to explain things until they made sense. You made the classroom feel comfortable, even when we made mistakes. I'm nervous about secondary school, but because of your support over the last six years, I know I'm ready for it.

Unforgettable Memories

Welcome, teachers, parents, and my fellow 6B graduates. Today is a celebration of our growth, our friendships, and the unforgettable years we've spent together at primary school.

I still remember our first day of class, feeling a bit nervous but excited. Look at us now! Over the years, 6B has become more than just a classroom; we've become a family. We've survived countless exams, shared endless laughs at lunch, and learned the true meaning of teamwork.

To our amazing teachers: thank you for always believing in us, guiding us, and pushing us to do our absolute best. To our parents: thank you for your endless love, patience, and for cheering us on every single day. As we step forward into this new chapter and head to middle school, let's take everything we've learned with us!

Dear schoolmates and teachers,

As I prepare to graduate, I want to take a moment to express my heartfelt gratitude for this wonderful school, JRGPS. The teachers and students here have supported me throughout this journey. Thank you for helping me grow through P.5 and P.6!

One of my favourite memories is Sports Day. I was so excited to watch the races! I remember screaming and cheering for my friends and classmates, feeling so much joy whenever they won. Together, we have built friendships that I hope will last a lifetime.

I truly have the funniest classmates; they always know how to make me laugh when I am not in the mood. To my three best friends—Abigail, Muskaan, and Riya—thank you for always being there for me! I treasure the memories we have made together.

Graduation is not just the end of a chapter, but a celebration of our achievements and new beginnings. To our teachers: thank you for your guidance and dedication. To my friends: thank you for your kindness. Let us carry the lessons we've learned and the passion to pursue our dreams.

As we step into the future, remember that we are capable of great things. Stay true to yourselves and never forget the memories we created. Congratulations to everyone! I hope all of you pass your exams and get into your dream secondary schools. Here's to our bright future!

With gratitude and best wishes

My School Life

Over the course of my years at Jordan Road Government Primary School, I have experienced a great deal of personal growth and development. Originally, I entered the school as a timid learner who hesitated to engage with peers or participate actively in classroom discussions. However, through group projects and supportive interactions with my classmates and teachers, I gradually became more confident in expressing my thoughts and ideas. The friendships we built during these formative years have been like nothing I have ever experienced before, providing not only companionship but also a true sense of belonging.

My teachers played a vital role in this transformation. Their encouragement and patience enabled me to face academic challenges with resilience. They created an environment where speaking one's mind was always welcomed, allowing me to explore subjects deeply. This supportive atmosphere made learning truly enjoyable; it was not merely about gaining knowledge, but also about developing the critical thinking skills that will serve me far beyond my primary school life.

I am so grateful for my time here, and I hope that my juniors will make just as many wonderful memories as I have.

畢業生感言 (6C) Student Gratitude (6C)

GURUNG SAMAIRA (6)

I am about to leave Jordan Road Government Primary School for my dream secondary school. I will never forget the wonderful memories I made here, especially the fun activities and holiday programmes.

Before joining this school, I studied at an all-Chinese primary school for three years. My grades were dropping because all the subjects were taught in Chinese. When I was finishing Primary 3, my parents transferred me to a 'half-Chinese, half-English' school—Jordan Road Government Primary School. My older cousin, Zion, had told my parents and me that this school would be suitable for my studies.

In Primary 4, my grades began to improve, and by Primary 5 and 6, they had taken a dramatic turn for the better compared to my first few years of school. I was so happy and shocked that my grades improved so much in just two years! My parents are delighted with my results. Thanks to my teachers, I have learned how to work hard and succeed!

THANK YOU!

Dear Schoolmates,

I feel so lucky to be a part of Jordan Road Government Primary School. The environment here is warm and welcoming, and I am grateful for the many wonderful memories I have made. My schoolmates are not only friendly and fun but also supportive and caring. We have shared so many moments together, from studying hard for exams to enjoying fun activities. I will truly miss my time here after graduation, as you have all made my school life so special.

Our teachers are truly amazing. They are kind, patient, and always ready to help us learn and grow. Their dedication has made a big difference in my life, encouraging us to do our best and making learning enjoyable. I appreciate all the guidance and support; my teachers have inspired me to work hard and stay motivated.

Besides academics, our school offers a variety of activities that help us build friendships and new skills. Some are sports competitions, cultural festivals, or school trips. I will always remember when you cheered "6C! 6C!" during our relay race on Sports Day. That was incredibly motivating!

As I prepare to graduate, I realise how much I will miss the lively atmosphere, the caring teachers and my wonderful friends. This school has played a vital role in shaping who I am today. I am so thankful for the experiences we shared, especially when my classmates made everyone laugh so hard that our cheeks started hurting! I will carry these memories with me forever. I also want to thank my three best friends—Samichya, Abigail, and Riya. I will always be proud to be a part of this school.

Muskaan, 6C

URTULA CASSANDRA (22)

Dear Schoolmates and Teachers,

As I get ready to graduate from Jordan Road Government Primary School, I feel very lucky to have been a student here. My schoolmates are not only friendly and kind but also supportive and fun to be around. We have shared many memorable moments, from studying together to playing during breaks, and I will truly miss these times. Our teachers are amazing—so caring, understanding, and dedicated to helping us succeed. I am especially grateful for their patience and kindness, which have made my school life so special.

Besides academics, our school offers many fun activities that bring us closer together. The experiences of sports competitions, school trips and fun days have given me so much joy. I will certainly miss the lively atmosphere and the warm daily interactions with my friends.

Looking back, I feel a mix of excitement and gratitude. This journey has been filled with valuable lessons and personal growth. I am incredibly thankful for the support of my teachers, friends, and family who have helped me reach this milestone.
