I am in Hong Kong with ben and Cherry. It is summer. It is a hot and sunny day. We are wearing T-shirts and shorts because it is hot. We are happy because we are on the Star Ferry.

We are at Ocean Park. We are watching a dolphin show. The dolphin are swimming, diving and doing tricks. We are eating yummy fish balls and drinking iced lemon tea because we are hungry and thirsty. We are having lots of fun. We are happy.

We are at the Science Museum with 2C classmates. We are wearing PE uniforms. We are listening to instructor. We are happy.
