### The Sea Monster

On Sunday, Pang and Pete sailed away to Treasure Island. They were excited. When they sailed, they heard a strange noise. They thought it's just the sound of the paddle. But there was a big splash! Then they saw something in the sea. Pang went a little closer to discover it. Suddenly a thing jumped out of the sea.

It's a sea monster!

They were super scared! The monster made a big hole. The boat sank. Pang swam away. Pete flew away soon after.

shouted, 'Shoot cannon ball! Shoot cannon ball!' Soon Pang got his cannon and shot at the sea monster. And the monster never came back. Pang found a raft.

They got on the raft and went to Treasure Island. They got a lot of money!
