A Happy Day

In the morning, Spike, Barbet, Gaysha and Bacon were talking about going to Gail's Fast Food. They all said 'yes!' They went there by taxi. Spike said to the driver "Mega Mall, please!" The driver said 'OK.' The kids felt excited.

When they arrived, they all felt hungry. Then they went to Gail's Fast Food.

They asked the waiter, "Can we have a bottle of soda, a big pizza and a box of French fries?" She said "OK!" Now they were eating their food.

A mouse came and ate the food. They were all happy.
