My Favourite Character

My favourite movie character is My Melody. She is a girl, with long ears, small hands and short. She is a rabbit who likes pink colour. Her birthday is 18th January.

My Melody is short. She likes wearing dress. She has brown eyes, pink ears and a round face.

She likes going picnic with her friends. She is friendly so she has many friends. She is also polite and nice. She is popular among her friends. She likes picking up flowers too.

I like her because she is cute.
